

**VŪ KABINN
Model**

At VŪ Saunas, we believe that wellness is about finding balance, connecting with nature and taking care of your mind, body and soul. We're proud to offer high-quality saunas that are designed to help you relax, detoxify, and improve your overall wellness.

The Kabinn model totals 75sf with wrap around benches suitable for 4 to 6 people. It is built with knotty cedar and OVM 1.5" 24G easy snap black metal panels metal exterior. There is a covered outdoor space where guests can hang their robes before entering. The sauna heater unit included with this model is a HUMM Hive mini.

Production timeline is 4-6 weeks. To place your order, we require a 50% deposit. The balance is due when it is complete and ready to be shipped. Delivery fee to be calculated upon ordering. The ground set-up, electrical connection and applicable permit are the customers' responsibilities. We also offer set-up assistance for a fee based on required machinery and distance. Financing is available.
